DETAILED ACTION

Priority

1. Acknowledgment is made of applicant's claim for foreign priority based on an application filed in Japan on 9 September 2001. It is noted, however, that applicant has not filed a certified copy of the 2001-266629 application as required by 35 U.S.C. 119(b).

Allowable Subject Matter

2. Claims 4-10 are allowed.

Response to Arguments

3. Applicant's arguments, see page 4 of amendment, filed 22 November 2004, with respect to new claims 4-10 have been fully considered and are persuasive. The 35 U.S.C. 102(e) rejection of old claims 1-3, now canceled, has been withdrawn.

The examiner agrees with the applicant's arguments that Winger does not teach the limitations of new claim 4, specifically that Winger does not teach the use of clustering software, paired volume control software, or a determining volume.
